Sunday 7th April, 2024

Sunny

Today was Ezio's birthday, he invited me and his friends, Jamie and George to play in a day camp. Everybody screamed with excitement.

In the morning, we went to the canteen and had breakfast. We got lost and walked for a long time when we went to the campsite. Then we walked on a hill and saw the fantastic sight view at the top of the hill.

In the afternoon, we went swimming and fishing in a lake. I caught some fishes for lunch. Ezio said the fishes were scrumptious. Also, we showed our swimming skills to each other. George was scared of water so he didn't come with us.

In the evening, we played football on the grass. George wanted to have a football match. The team which lost had do chins up. I thought George's football skills looked like the famous football player Messi. At last, we sang karaoke in a karaoke room. Jamie sang songs in an angelic voice. I clapped hands when he finished singing.

Today was a perfect day. I felt satisfactory.
