Dear Jacky,

I am happy to know that you will visit Hong Kong soon. I miss you for a long time. I almost thought that you would not come back anymore.

On Saturday morning we will go to Causeway Bay. It is near my home so we go there on foot. We can play in Victoria Park. There are a lot of things to play inside, like swings, slides and more. Next, we can go to Central Library and have a lot of kinds of books to read. We will eat lunch in Café de Corel. We will eat baked pork chop rice.

From the afternoon to the evening, we will go to Disneyland. We will go there by MTR. We can ride on a roller coaster there. It is very exciting and fast. The weather is very hot so we can eat some ice-cream. I will have chocolate favor. We will have dinner at Rocket restaurant. We will eat hamburgers and fries.

This is what I plan. I wish you would come back soon.

Yours,
Jack
