An unforgettable trip

Last Saturday afternoon, Mary and Tom decided to go to Lantau Country Park for hiking and barbecuing. The weather was cool and dry which was perfect for outdoor activities. They felt excited about the trip.

In the middle of the trail, they got lost. It was nearly sunset so the sky became dark. They were scared when they heard some strange sound nearby. ‘What should we do?’ Mary gasped in horror. ‘Don’t worry! Do you remember I have a map inside my backpack?’ answered Tom. He tried to find out the map from his backpack. Unfortunately, the map was lost in the barbecue site. They were terribly upset and their eyes filled with tears.

Suddenly, there was a hiker in front of them. The hiker was very helpful. He showed them how to go back to the bus stop. Luckily, the bus stop was not too far from the place they were. It was about one kilometer.

When they arrived at the bus stop, there were so many people waiting for the bus. They felt very tired and impatient. Ten minutes later, they saw an empty taxi coming by. Mary suggested going home by taxi although it was very expensive. Finally, they decided to go home by taxi.

They arrived at home at 10:00p.m. Although they were very exhausted and hungry, they thought the trip was so unforgettable.
