A Sad Day

Last weekend, Tom and Mary went to a country park to celebrate their holiday outdoors because the weather was good that day and the sun was waving at them. They were walking to the bus stop while they were chatting. They were as happy as a clam.

Mary and Tom got lost when they were chatting. They saw a hiker who is in a T-shirt and with a backpack nearby and asked him, 'How far is it from here to the nearest bus stop?' The hiker replied, 'It's a long way. It's 10 kilometers.' 'How can we get there?' asked Tom. 'Walk straight down this road', the hiker pointed at a road.

When Mary and Tom were waiting for the bus, a storm suddenly started. Lightning bolts were hitting the ground and it began to rain cats and dogs. The wind was so strong. 'The wind is roaring as loud as a lion and it almost blew me away!' said Tom.

Luckily, Tom and Mary went home safely by a bus. Although they went home safely, they were sad because they could not go to the country park to play together. In the end, they decided to watch TV at home happily.
