An Amazing Bottle

They did not know what to do. Then the genie had an idea. ‘We could ask the wizard for help!’ he suggested. ‘That’s a good idea!’ said Eric. They went to find the wizard who was on the top of the mountain. There was a dangerous river so they needed to cross the river carefully. After that, they climbed and climbed. At last they reached the top of the mountain safely. Eric said, ‘I am very tired!’ ‘I am tired too!’ said the genie.

Suddenly, a big monster appeared! They were shocked. The monster fought with Eric and the genie. The monster was as strong as an ox. He was fierce like a tiger. Besides, Eric and the genie were as brave as lions. They were as wise as owls. In the end, Eric and the genie won because the monster was badly hurt. They went to the wizard’s house and Eric said to the wizard, ‘Can you make me shorter?’ The wizard replied gently, ‘No problem!’ The wizard gave Eric some

magic drink to drink. Eric did what the wizard asked so Eric became his normal size again. Eric was very glad.

In the end Eric wanted to learn magic and the genie wanted to improve his magic. They decided to become the wizard's pupils. The wizard taught them patiently. 'I wish to be a genie so that there will be no more wars in the world,' said Eric.
