About things I do/don't do in my classroom and
things in my school bag

This is my classroom. I sit on the chair properly. I listen to the teachers. I keep quiet in class. I help my classmates.

I don't run. I don't talk in class. I don't shout. I don't play in class.

This is my school bag. I have one eraser. I have one pencil case. I have two pencils. I have one folder. I have one homework bag.

I love my classroom and I like my school bag.
