About things I do/don't do in my classroom and
things in my school bag

This is my classroom. I do my classwork. I read my book. I wash my hand. I drink water. I don't shout. I don't fight. I don't run. I don't sleep.

This is my school bag. I have six pencils. I have a water bottle. I have four books. I have a pencil case.

I love my school, my classroom and my school bag.
