My school

My name is Becky Cheung. The name of my school is Hennessy Road Government Primary School (CWB).

There are many places that I like at school. The first place is the library. It is in Block A and on the ground floor. We must keep quiet.

The second place is the toilet. It is in Block C and on the fifth floor. We must wash our hands.

The third place is the playground. It is in Block B and on the third floor. We mustn't litter.

I love my school because there are many things to do and we can make friends.
