Hi Amos,

How are you? I want to invite you to go on a picnic this Sunday in Victoria Park. I want to go with you.

During the picnic time, I want to fly a kite and play hide-and-seek with you, because it is exciting. We can chat when we have sunbathing. We can eat some sandwiches after we play frisbee. Let's bring some bread, bananas, cakes and cherries. I like bananas because they are soft. Shall we bring some apple juice and orange juice?

It must be fun. I hope you can go with me. Reply soon.

Yours,
Cedric
