Billy's awful day

One day, Billy goes to Joyful Shopping Centre. He needs to buy a birthday cake and a doll for his sister, Sally because it is Sally's birthday.

Billy goes to a toy shop. He sees his favourite toy, robot and he doesn't see any dolls. He buys a robot because he loves robots. On the way home, he finds that he forgets to buy a doll and a cake. 'Oh no! I forget to buy a doll and a cake for my sister!' Billy exclaims.

Billy regrets and feels sad because he does not buy Sally a doll and a cake. In the end, Billy runs back to the toy shop and buys a doll. They feel happy.
