Today is Sally's birthday. Her brother, Billy wants to buy a gift to his sister. Billy knows his sister likes playing with dolls. Billy then goes to the shop to buy a doll for his sister.

So Billy goes into the shop at Joyful Shopping Centre. When Billy looks at the robot, he loves the robot because Billy thinks the robot is cool. Then he buys the robot. On the way home, Billy says to his sister.

In the end, Billy says to his sister. 'I'm sorry. I don't have any presents for you. I make a birthday card for you.' He gives the birthday card to Sally. Sally doesn't feel upset. She says, 'Don't feel sad, Billy. I don't feel angry. I feel happy because I have a lot of presents today.' Then they are glad and happy.
