Hi Franklin,

My name is Alice Kong. I am nine years old and my birthday is on 26th July. I have one brother and his name is Matthew. I live in Tiu King Ling.

I have long hair and I am short. I have the longest hair in my family and I am shorter than my brother.

My hobby is dancing and watching drama shows because it is fun to dance and it is really touching and interesting to watch drama shows. I often go to the mall in Tiu King Ling. There is a dancing room in the mall for you to learn dancing. I dance on every Sundays with my friends. I made some new friends too! I always watch drama shows at home. I watch drama shows every day at night. We usually watch when I am eating dinner with my family. I love watching TV with my family.

Please write back soon.

Best wishes,

Alice
