Careless May and Danny

Yesterday was May and Danny's mum's birthday. They wanted to make fruit salad for their mum. However, there were no apples at home. They went to the supermarket to buy some apples.

May and Danny chose a bag of red apples. They also chose a bottle of cola. When they wanted to pay at the cashier, Danny could not find his wallet. Danny said, 'I left my wallet on the table. I am so careless.' May said, 'I think you brought your wallet, so I did not bring mine.'

When they went back home, Danny felt shocked. He said, 'Oh no! I forgot to buy a carton of milk. We can't make the cheesecake now!'

May and Danny wanted to go home to get money. At that moment, they saw their English teacher, Miss Tang. They told Miss Tang what happened. Miss Tang was very kind. She helped them pay. May and Danny promised Miss Tang they would pay her back tomorrow.
