**To be Honest or Not to Be**

One day, there were two friends who were playing games happily. They were Andy and Lily. Andy was the boy who was in the vest and with the glasses. Lily was the girl in the dress and with the pretty hat.

When they were playing happily, Lily showed her new pencil case to Andy. Andy thought it was so beautiful. Therefore, when Lily went to the toilet, he stole her pencil case and put it into his backpack! Then Lily came back. She found that her pencil case was missing and she felt worried. Then, she asked, ‘Andy, do you know where is my pencil case?’ Andy lied to her and said, ‘I...I don’t know.’ Next, Lily cried sadly.

Suddenly, a beautiful woman appeared and said, ‘I am the friendship fairy. I can help you. Can you tell me what happened to you?’ ‘I lost my pencil case,’ Lily said. ‘I know who stole your pencil case,’ the fairy said and pointed her finger at Andy. Then, she turned Andy into a pig as a punishment.

In the end, Andy said sorry to Lily and promised he will never tell lie again. Therefore, Lily forgave him. Suddenly, Andy turned back into a little boy. Andy and Lily hugged each other. They became friends again. From this story, we could learn that we should be honest and shouldn’t tell lie to others.
