Dear Principal,

We are writing because the Student Union would like to help World Vision to raise money for refugees. We think our ideas will help solve some problems for people there.

The refugees are facing a lot of problems. First the refugees do not have enough water because water pipes are broken due to the weapons' attack. Secondly, they do not have enough food because food shops are closed due to wars. Lastly, most of the refugees live outside their houses because buildings are destroyed by bombs and missiles.

We want to deliver enough food to the refugees by discussing with the food suppliers to donate the food. We would also like to conduct charity talks to convince people to donate the camping tents so that people will donate them to the vulnerable people for accommodation.

We hope you will be able to help us organize the charity events.

Yours sincerely,

Eiffel Cheung

Chairman of the Student Union
