

Hennessy Road Government Primary School (Causeway Bay)
2024-2025 1st Term Writing (2)

6R (18) Mak Sze Yu Cessie

11th December, 2024

Dear Principal Lo,

We are writing because the Student Union would like to help Global Education Support to raise money for motivated and qualified students. We think our ideas will help solve some problems for the poor students there.

The parents do not have enough money and the students do not have enough stationery or books because they live in low-income households. Moreover, the schools are very dirty because they are too old and do not have much money to rebuild them. Furthermore, the schools are too cold in winter and too hot in summer because they cannot provide students with any heaters or air-conditioners.

We want to volunteer by tutoring others in my free time or mentoring other students to help them realize their full potential. We would like to donate stationery and books. We believe we can help by providing essential resources to empower children's journeys.

We hope you will be able to help us organize the charity events.

Yours sincerely,
Cessie Mak

Chairman of the Student Union
