

Hennessy Road Government Primary School (Causeway Bay)
2024-2025 1st Term Writing (2)

6P (14) Lau Charlotte

10th December, 2024

Dear Principal Lo,

We are writing because the Student Union would like to help Red Cross to raise money for the homeless people in India. We think our ideas will help solve some problems for the homeless people there.

A lot of homeless people can't afford food because many of them don't have a job, making it difficult to afford food. Many of them sleep on the floor because they're too poor and the housing cost is too high. Also, they will feel cold on freezing days because they don't have enough jackets and blankets.

We want to collect blankets by asking students to donate us their old blankets. We would also run a food stall. Students can make food with us. All the food we made will send to India to feed the homeless.

We hope you will be able to help us organize the charity events.

Yours sincerely,

Charlotte Lau

Chairman of the Student Union
