Wishes

They did not know what to do. Then the genie had an idea. “Maybe you can find Wizard Willy to help you,” he suggested. “He knows how to help you to return to your normal size,” said the genie.

Then they embarked on a journey to find the wizard. They searched every corner of the forest. Eric was as tall as the house which made him walk very slow. After a year, they finally found him at the top of the highest mountain in the forest.

Eric told Wizard Willy this problem. Wizard Willy asked, “Why do I need to help you?” Eric promised, “I’ll help you find the most powerful magic books.” Wizard Willy thought for a while and said some magic words. “Peanut Butter!” Soon, Eric was back to normal. He was over the moon and shouted excitedly, ‘Oh yeah!’ He was very grateful to Wizard Willy.

Eric learned that he should be happy with what he had and stop being so greedy. In the end, Eric kept his promise and travelled around the world with Wizard Willy to find the magic books.
