A Day in Super Zoo

Today is my mum's birthday. Mum, dad and I go to Super Zoo to celebrate her birthday.

I can see many animals. There are a zebra, a lion and two hippos in the zoo. A zebra is black and white. We see the zebra. It is eating on the grass. A lion is yellow and brown. And I see it sleeping in the cave. Hippos are grey. Dad sees them in the pond. They are playing.

I like animals in the zoo because they are interesting.
