**A Day in Asher Choi Zoo**

Today is Sunday. I have a visit to Asher Choi Zoo with my friends.

I can see many animals. There are six lions. They are yellow and brown. They are cute. They are on the grass. There is one monkey. It is in the tree. It is beige and brown. There is one panda on the bench. It is black and white.

I like Asher Choi Zoo because it is a fun place! I feel great!
