A Day in Roblox Zoo

Today is my birthday. I go to Roblox Zoo with my mum and dad.

I can see many animals. There are fifteen kangaroos. They are as orange as a carrot. They hop on the grass. There are twenty capybaras. They are as brown as chocolate. They sleep under the tree. There are eleven pandas. They are black and white. They eat in the cage.

I like Roblox Zoo because there are a lot of cute animals.
