A Day in Happy Zoo

Today is a school holiday. I have a visit to Happy Zoo with my mum and dad.

I can see many animals. There is a panda. It is black and white. It has a big body and short legs. It is lying on the grass. There are thirteen elephants. They are grey. They have a long nose and big ears. They are near the tree. There are four tigers. They are orange and black. They have big eyes. They are playing under the tree.

I like Happy Zoo because it is fun. I am amused!
