Sam is lazy

One day, Sam and his mother are at home. Sam is a student and he is lazy. Sam's mother is a housewife. She is hard-working. She hangs up the washing, waters the plants and sweeps the floor but Sam is watching TV.

Next, Sam's mother is sick. She lies in bed. Sam feels sad and ashamed because he is not responsible. Sam says, 'I know I am wrong. Please forgive me.' Sam's home is very messy and no one is doing housework.

In the end, Sam helps his mother to do the housework. He hangs up the washing and washes the dishes. Sam is not lazy and untidy in the end. Sam and his mother feel happy.
