Cloudy, cold

Today was a good day. I had a day camp with my friends, Ben and Harry.

In the morning, we went cycling. We rode from the canteen to the playground. I like cycling with Ben and Harry because it is fun.

In the afternoon, we played table tennis. We went in the stadium. I played with Ben. I wanted to play because I wanted to practise table tennis.

In the evening, we had a barbecue. We had it in the barbecue site. I had it with Ben and Harry. I liked to have a barbecue because the grilled food is yummy.

It was a great day. We felt as happy as a bear finding a pot of honey.
