Sunny and warm

Today was sunny and warm. In the morning, I set up our colourful tent in a country park with my friends because we had a day camp. It was exciting to create a cozy space.

In the afternoon, we were so hungry so we had yummy sandwiches and lemon tea for lunch. Next, we played hide-and-seek. We ran around on the grass. It was so much fun! In the evening, we watched the sunset on the top of the hill with my friends. The sky changed from blue to orange and red. It looked like a great picture.

Today was a great day. It was amazing! I want to go there again.
