Sunny

Today I had a wonderful day with Carson and Chester at Fun Fun Day Camp. We enjoyed many activities.

In the morning, we made a tent at the campsite. The tent kept us sleeping comfortably.

In the afternoon, Carson went to the woods to collect firewood for fire, while Chester went to pick vegetables.

In the evening, I made the fire carefully, Chester put the vegetables in the pot, and Carson cooked the food.

After dinner, we sang a song in the tent and slept with a smile.

It was a cheerful day. I felt happy.
