My Diary

Sunday, 30th March, 2025

Sunny

Today was a good day with my friends. I went camping with my friends.

In the morning, I played football in the playground with Moses. It was fun.

In the afternoon, I fed animals in the farm with Aden because I wanted to take care of small animals.

In the evening, I had a barbeque in the barbecue site with Bale and Moses. I wanted to try cooking by myself.

It was a good day. I felt happy.
