A Letter about a one-day trip

6th March, 2025

Dear Heather,

I am happy to know that you will visit Hong Kong soon. I can show you some interesting places in Hong Kong.

In the morning, we will go to Hong Kong Wetland Park. We'll look at birds and a large crocodile. Then we will go back to my home by MTR to eat lunch. Mum will make salad and fired drumsticks. I bet you will wolf down them all, they will be mouth-watering!

In the afternoon, we will go to the Peak by the Peak Tram. We will see the Victoria Harbor and take photos there. I bet the view will take your breath away. It will be very beautiful. Our photos will come out great! And remember, because we will be at the top of the hill, it will be very windy. I suggest you to wear a coat.

In the evening, we will eat dinner at a Japanese restaurant. We can eat tasty noodles and delicious sushi.

I hope you will enjoy our trip!

Love,
Samantha
