A Letter about a one-day trip

5th March, 2025

Dear Tom,

I am happy to know that you will visit Hong Kong soon. How are you doing? Are you getting along with your classmates? I am doing good. I am writing to tell you about my plans for a day trip in Hong Kong. Are you feeling excited?

In the morning, we will go shopping in MegaBox. We will go there by train. We will go to IKEA. There is a lot of furniture, such as beds, sofas and chairs. Also, there is a café there. I like the apple juice best because it is refreshing. We will have lunch at IKEA café. We will go there on foot. We will eat spaghetti with meat sauce and smoked salmon.

In the afternoon, we will go to Disneyland by bus. We will ride on some attractions and buy some souvenirs, such as Mickey Mouse key chains, dolls and clothes. There is an area called Grizzly Bear. It is a coal mine. We will ride on the mincart and we can see fountains. During the ride, there will be water splashing on us. It must be fun! In the evening, we will watch the firework show and the nighttime parade.

We will be as happy as clams and will have a wonderful moment. We will have our dinner at the restaurant. We will go there on foot. Then, we will eat seafood risotto, chill soft shell crab and Sichuan spicy fish. They are yummy!

Hope to see you soon.

Love,

Leo
