My Role Model

There are lots of people to learn from around the world. The person who inspires me the most is Taylor Swift. Her full name is Taylor Alison Swift. She is 35 years old now. She is an American singer and a song writer.

Taylor has been a singer since 2005. She started to take singing lessons and focus towards country music. She released her first album 'Taylor Swift' in 2006. She kept working hard on it and eventually released 11 albums till this day.

Taylor is a hard-working person and she will not give up easily. She has won 324 awards and received 14 Grammy Awards since 2010. She also won her first album of the year Grammy for her album 'Fearless' when she was 20 years old, making her the youngest winner of this award in history. She has performed lots of times, but she was never afraid of being on stage. She was as confident as an eagle in flight.

Taylor is famous and richer than most of us. She is generous too. She donated millions of dollars to the charities.

I've learnt a lot from Taylor Swift. She is generous, hard-working and confident. We should try our best and not to be afraid. Moreover, we should be generous.
