My Role Model – Vivian Kong

Vivian Kong is my role model. She is a notable Hong Kong fencer. She is thirty-one years old. She was born in Hong Kong in 1994. I admire her because she is talented in sports and art.

Vivian is an epic fencer. She has become a fencer for 20 years. She is talented. She is good at fencing, doing Taekwondo and playing the piano. She has also received many prizes. She won the ‘Ten Outstanding Young Persons Selection’ Award in 2021. In 2024, she also won a gold medal in the Paris Olympics.

Vivian is helpful and kind. She donated her money to help the poor. Vivian is self-disciplined too. She gets up at 5:00a.m. every day to practise and study. She is as hard-working as a bee.

From Vivian Kong, I have learnt that I should pursue my dreams bravely and I should be more self-disciplined on my studies. Her spirit of never giving up inspired me a lot.
