The Person I Admire Most

Nana Sakai is the person I admire most. She is a ballerina from Japan but she dances for Hong Kong Ballet. She is a very hard-working and professional ballerina.

Nana Sakai has danced for Hong Kong Ballet since 2016. She always practices hardly. She has been a main character for many classic ballets, like the Nutcracker, Romeo and Juliet, and Cinderella. She first became the main character in 2023. She is good at acting and ballet dancing. She is gentle and she never shouts at people. She is hard-working. She always practises a lot every day. She is joyful because she always smiles. I like watching her performance very much.

I think I should be more hard-working and be gentler like Nana Sakai.
