An Exciting Day!

Last Sunday morning, Mary and Tom were at home. They were bored. After a while, Tom decided to have an outdoor activity. He decided to go to Happy Sunshine Country Park. They packed their things and started their journey.

Mary and Tom couldn't decide what transport they should choose to go to the country park. Luckily, they met a hiker. Mary questioned, 'Excuse me, how far is it from here to Happy Sunshine Country Park?' The hiker replied, 'It's ten kilometres. You should take the bus. The bus stop is just over there.' Tom and Mary replied happily, 'Thank you very much!'

Mary and Tom arrived at the bus stop but there were a lot of people. Mary said, 'I don't want to take the bus. First, it's crowded. Second of all, it's not comfortable. I want to take the MTR.' Tom talked back, 'I want to take the taxi. Although it's expensive, it's comfortable.' They started arguing until, 'Boop! Boop!' Tom's dad came and stopped them from arguing. He told

them to get on his car and drove them to the country park.

In the end, Tom and Mary arrived at the country park. They had a wonderful barbecue. They were happy like monkeys that had trillions of bananas. They learnt that they shouldn't argue but to solve the problem together peacefully.
