My Classroom and My School Bag

I am Hogan Sze. I am in class 1S. I listen to the teacher. I follow the rules. I put up my hands before I speak and I sit nicely.

I don't do bad things at school. I don't sleep in the classroom. I don't sit down on the floor and I don't run in the classroom.

I bring things to school with my school bag. I have a pencil case, nine pencils, an eraser and four books.
