My School

My name is Billy Cheng. The name of my school is Hennessy Road Government Primary School (Causeway Bay). It is in Causeway Bay.

There are three places that I like at school. The first place is the library. It is on the ground floor in Block A. We mustn't eat or drink in the library. The second place is the playground. It is on the third floor in Block B. We must wait for our turn when playing together. The third place is the computer room. It is on the fourth floor in Block C. We must turn off the computer after use.

I like my school because I can learn new things from my teachers every day and my classmates are nice and friendly.
