My School

My name is Horus. My school's name is Hennessy Road Government Primary School (Causeway Bay). It is in Causeway Bay.

There are three places that I like at school. The first place is the computer room. It is on the fourth floor of Block C. We mustn't eat or drink in the computer room. The second place is the playground. It is on the ground floor of Block A. We mustn't run or sprint in the playground. The third place is the library. It is also on the ground floor of Block A. We must keep quiet and we mustn't tear the pages from the books.

I like my school because it is quite bag for a primary school and I can make a lot of friends.
