Subject: A picnic

Hi Teresa,

How are you? I want to invite you to join my picnic on Saturday.

We go to country park to have our picnic. My parents, my little sister and other friends will join us. We have sandwiches, mango pudding and bananas to eat. We also have apple juice to drink.

After meal, we can fly a kite, play board games, take a walk and chat with my friends.

Do you have other suggestions? Please feel free to tell me. Look forward to your reply.

Yours,

Raymond
