Sally's birthday

Today is the birthday of Billy's sister, He wants to buy a gift for her. He goes to the toy shop, the toy is on the first of the Joyful Shopping Centre.

Billy sees a robot in the toy shop and he loves it very much. Then, he buys a robot, it costs \$110 dollars. On the way home, he says, "oh no! I need to buy a doll for Sally." He thinks that he forgets to buy a doll for his sister.

In the end, he gives the robot to his sister as a birthday gift. Bill's sister loves the doll very much and they play the robot together. They think they are as happy as a queen. They have a wonderful birthday.
