Hi Franklin,

My name is Jayden. I am nine years old. My birthday is on 20 January. I have no siblings and I live in Wan Chai. My favourite food is French fries. I like eating donuts, too.

I am tall and thin. I have big eyes and short hair. I also have straight hair. I am shorter than my parents and I am the funniest and smartest person in my family.

When I am free, I like doing a lot of activities like playing basketball and playing video games. I play basketball

everyday with my dad. We always go to the basketball court to play basketball. I sometimes make new friends too! I'm also a big fan of basketball. I always watch NBA games on TV. My favourite team is the Los Angeles Lakers and my favourite NBA player is Lebron James. I have a Lebron James jersey at home.

Sometimes, I play video games after finishing all my work. I play a lot of games like Eggy Party, Roblox, Stumble guys and basketball games. My mom always tells me not to spend too much time on video games.

Please write back soon and tell me more about yourself.

All the best,

Jayden
