Lucky May and Danny

Last Sunday, May and Danny went to Happy Supermarket because they didn't have enough food to eat for dinner.

They went to Happy Supermarket by bus. When they arrived, May said, "A packet of seaweed is cheaper than a packet of raisins. A bar of chocolate is the cheapest. Let's buy a bar of chocolate!" Danny said, "Let's buy a packet of potato chips too! A packet of Yummy Chips is more delicious than a packet of Good Chips. A packet of Honey Chips is the most delicious." "Ok, let's buy a packet of Honey Chips," said May.

Finally, they went to the cashier to pay money. They suddenly forgot to bring their wallet. May said, "What do we do now?" "You can use your phone to call Mum to bring our wallet here!" "You are smart!" said May. So, they used their phone to call Mum to bring their wallet to Happy Supermarket, and they went home happily.
