A Day in Shanghai Zoo

Today is a school holiday. I visit Shanghai Zoo with my mom, my sister and my dad.

I can see many animals. I can see a panda. It is black and white. It has a round tummy. It is in a cage. There are two lions. They are orange and have big mouths. They are on the grass. There are three giraffes. They are yellow and brown. They have medium-size heads. They are under the trees.

I like Shanghai Zoo because there are a lot of animals.
