Mum is Sick

Sam and his mother are at home. Sam's mother is hanging up the washing, sweeping the floor, and watering the plants. Sam is watching a cartoon. He is lazy.

Sam's mother lies in bed because she is sick. Sam feels sad because his home is very messy.

Sam helps his mother do the housework and tidy the room. When Sam's mother recovers, she is very happy. "Sam, I'm so proud of you!" Sam's mother says.
