Lucky Day

Mandy is a hard-working girl. She goes to Brownies on Tuesdays. She plays tennis with her friends on Thursdays. She has piano lessons at a music centre on Fridays.

On a sunny Thursday morning, Mandy and her best friend Winnie go to the park. They go to the park near their home. The park is very popular. They bring tennis rackets and tennis balls with them. After going to the park, they have a chat on the bench. Then they start to play tennis.

"Let's start now!" Mandy says when she hits the ball to Winnie. After a while, Mandy hits too far and the ball falls into the fountain. Winnie shouts, "Look! Our ball is floating on it!" They are shocked.

At last, Mandy and Winnie ask the security guard for help. He uses a fishing net to get the ball back for them immediately. They thank him so much. They feel happy and lucky.
