My Diary

Sunday 10th May, 2026

Sunny

Today I had a wonderful time with my friends at Good Camp. We participated in many exciting activities.

In the morning, I enjoyed a delicious breakfast with my friends at a cozy canteen because we were starving.

In the afternoon, I played badminton with Jayvin on the grass because today was a bright and sunny day.

In the evening, Lucas and I collected some wood in the forest to make a warm, cozy campfire.

It was an unforgettable day. I felt great!
