My Diary

Day: Sunday

Date: 5th April, 2026

Weather: Sunny

Today I had a great time with my friends at Funny Camp. We participated in many different activities.

In the morning, I played hide-and-seek in the playground with Ryan and Oscar. We like running so much.

In the afternoon, we had barbecue and fishing near a river because we were so hungry. We ate a lot of food.

In the evening, we wanted a competition. Also we played badminton on the badminton court. In the end, I won the game.

It was a nice day. I felt happy. We had a lot of fun.
