A Trip in Hong Kong

12th March, 2026

Dear Paeon,

I'm glad to hear you're travelling to Hong Kong to stay with me! I've put together a wonderful one-day itinerary just for you, and I'm really looking forward to spending the whole day with you.

We'll start our Sunday morning with a trip to Victoria Peak by the Peak Tram. — the skyline looks far more stunning than any postcard. We will take plenty of photos of the harbour below. Afterwards, we'll have a traditional Hong Kong style lunch: milk tea, egg tarts and pineapple buns.

In the afternoon, we'll go to Ocean Park. We can ride fun roller coasters, watch cute dolphin shows. We'll also buy small cute souvenirs to take home.

When night falls, we'll go to Mong Kok. Once we feel hungry, we'll try street food: curry fish balls, egg waffles and stinky tofu. These classic snacks taste delicious.

I'm waiting for our day out. I believe we'll have amazing time together.
