The Smile Queen of Fencing

She is 1.78 metres tall and weighs 58 kg. She was born in Hong Kong. She is world famous for her fencing. Do you know who she is? She is Vivian Kong Man-wai.

Vivian is really good at fencing. Her renowned title is “Smile Queen of Fencing”. I admire her a lot because she always stays optimistic and keeps a smile on her face, no matter how big the challenge is. I also admire her dedication to her rigorous training.

She has gained so many achievements and awards, such as winning a gold medal at the 2024 Olympics, one silver and five bronze medals at the Asian Games, and becoming a Fencing Grand Prix champion twice. These achievements are a true reflection of her hard work.

However, she has retired now and she is a member of the Legislative Council (Tourism). The lesson I learnt from her is the spirit of never giving up. She's really a role model!
